GODDESS

SHAUNA A. WEKHERLIEN, CPA

**MASTERS IN TAXATION, CERTIFIED TAX COACH,
CERTIFIED TAX STRATEGIST, "TAX GODDESS"**

Shauna A. Wekherlien, CPA, MTax, CTC, CTS, Tax Goddess, is a highly sought-after Certified Public Accountant and founder of Tax Goddess Business Services, PC, established in 2004. Tax Goddess is a global team of 76+ specialists that uses plain language (not tax code) to help business owners, investors, and entrepreneurs create plans of action to increase the business owner's bottom line, reduce costs, significantly reduce taxes, increase cash flow, and perform what-if scenario options so that owners know what decisions to make and which paths are best suited to their particular situation.

Shauna is a Certified Public Accountant (AZ) with a master's degree in Taxation. She is ranked in the top 1% of Tax Strategists in the entire country (per AICTC).

Before starting her own company, Shauna had garnered experience and sharpened her skills working with different leading corporations such as KPMG and American Express. With over 24+ years of experience in implementing innovative tax solutions, Shauna has continued to actively create tax strategies that, so far, have saved businesses and individuals to the tune of over \$740 million.

Her resourcefulness and mastery in her field have led her to be featured by numerous top broadcast media platforms such as

WHAT'S COMING UP

THE 6% LIFE

Inside of The 6% Life, Shauna the Tax Goddess will be sharing the hidden secrets of the wealthy to help you reduce your taxes, keep your cash in your pocket and away from the IRS, and build the lifestyle you want (all tax deductible)...

13-WEEK CASH FLOW

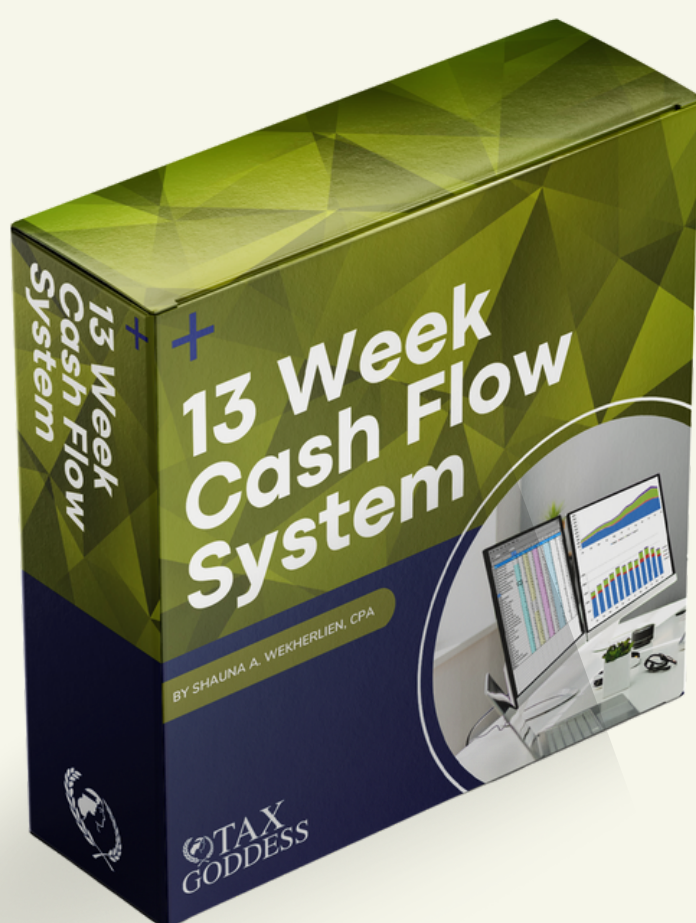

Cash is King - but Cash Flow is Supreme.

Knowing and controlling cash flow is the lifeblood of any good business. Without it you can be in deep trouble very quickly.

Clients that use a cash flow modeling system are over 56% more likely to succeed.

Cash flow forecasting answers a simple question that confronts most business owners when they begin to scale: Will we have the money to do what we want to do in the next six months?

We have included the calculation spreadsheet that we use with our clients to help them gain control over their cash flow within just a few hours. Use this tool to understand the what if's of any business decision you plan to make. This calculator hands control over your business to you and your team so that you can make the best decisions for your future.
